Just a little over 100 years ago the great Guru and Astrologer Sri Yuktesvar made statements to the fact that no astrologers practiced systematic astrology - that instead they just memorized endless planetary yogas with the hopes that some of the memorized yogas would be present in the horoscopes that they were called upon to examine.. I will update this occasionally, so please download again in the future Vedic Astrology is undergoing a huge renaissance - from baseless memorization of endless planetary permutations to the development of scientific and systematic techniques.

Some well known examples of these are KP, Systems Approach and the Iyer system The greatest development, however, was the resurgence of the two great ancient astrological texts: Brihat Parashara Hora Shastra and the Upadesa Sutras of Jaimini.. All other texts and teachings are merely shadows of these texts Why play in shadows when we can enjoy the brilliant minds of Parashara and Jaimini?Through my Vedic Astrology courses, Vedic Astrology books and Software you will find the most complete presentation of Parashara and Jaimini astrology available anywhere.. Our Kala Software is the only Vedic Astrology software that contains the essential calculations necessary to effectively practice the teachings of these two great Indian Astrology masters.. Now we offer its Personal Edition @ 6225 only Parashara's Light Astrology Software has all features of world class astrology software.. No other Jyotish texts available to us can boast of this - at best some texts have a few incomplete pages on systematic techniques.. Haydn's Jyotish, software for Vedic Astrology for Mac/Apple Haydn's Jyotish: low in price, has interpretive texts and offers other great features.. Fortunately, astrologers have come a long way since the dawn of the 20th century with several schools of systematic astrology techniques having emerged during the 1900's.. After examining all the available Jyotish literature and teachings, my studies have revolved around these two texts for the simple reason that they are the only scientific and complete texts and teachings in existence.. These texts are unique amongst all other astrological texts in that they contain complete systems of scientific astrology.. We invite you to immerse yourself in the study of these two sages - Ernst WilhelmHome of Kala Occult Publishers - Publishers of the Modern Classics: Vault of the Heavens, Core Yogas, Classical Muhurta and Graha Sutras; and producers of Kala Software. 773a7aa168 [acer synaptics touchpad driver windows 10](#)
